1963

# FOREWORD

As we leave the halls of Rosman High school, we take with us many memories of our high school days. We, the 1963 Oriole Staff, hope that this annual will help these memories live and be realities in the future years.

COMNENA REID  
Sponsor

PAULINE ANDERS

Co-Editor

BRENDA GALLOWAY  
Treasurer

## EDITORIAL STAFF

Mrs. Reid, Sponsor; Larry Waldrop, Pauline Anders, Brenda Galloway, Gloria Moody, Gustina Barton, Gail Powell, and Steven Kropelnicki.

## BUSINESS STAFF

# THE 1963 ORIOLE STAFF

This past fall the Annual Staff of Rosman High School began its task of compiling the 1963 ORIOLE. Each member worked hard and faithful as we strived to have a yearbook that tells the complete story of the events of R.H.S. Mrs. Reid and Mrs. Cothran, our able sponsors, were truly a great help to us.

### Editorial Staff

Larry Waldrop

Louise Baker  
Glenda Gillespie

To DWIGHT D. HOWELL, because of his sincere interest in every student, his loyalty to the ideals of Rosman High School, his patience and ability as a teacher, we dedicate this, THE 1963 ORIOLE.

E. G. TILSON  
Principal

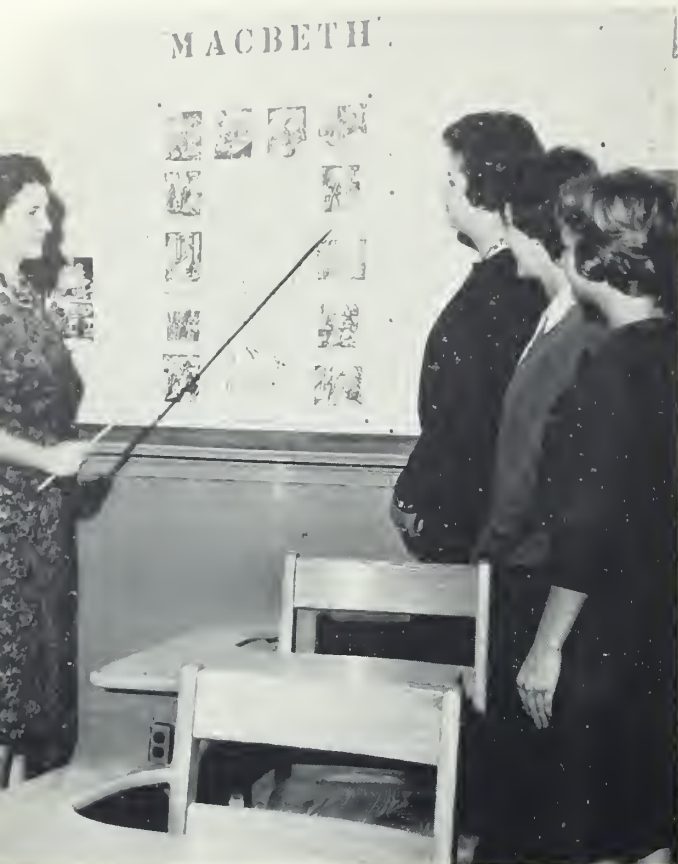

ANDY MILLER  
County Supervisor

WAYNE BRADBURN  
County Superintendent

## ADMINISTRATION

Rosman High School is the only high school in District Two of Transylvania County. Under the capable direction of principal, E. R. Tilson, Rosman has made a great deal of progress. Special emphasis this year has been on reading improvement and physical education. We have broadened our curriculum by two extra courses: Drivers Education and Co-operative Industrial Training.

A most attractive bulletin board is being discussed by Mrs. Hogsed.

## ENGLISH

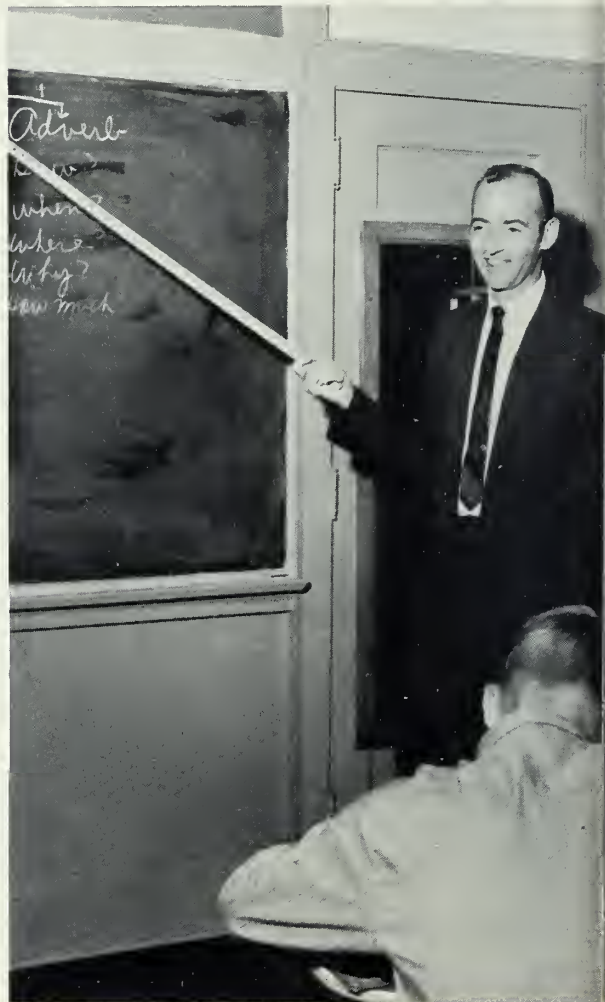

As all students in Rosman High School are required to take English, there are ten classes taught during the day. Students learn the principles and basic rules of the English grammar and apply them in themes and speech. In literature, the teachers strive to accomplish two broad purposes: (1) to expand the students acquaintance with literature, and (2) to increase his appreciation of literature.

MRS. LAVERNE HOGSEID and J. DEAN HENSON are our principle English teachers.

Jo Ann Carter, Gloria Moody, Gail Powell, Berniece Dunn, and Wilma Elliott proudly display the Elizabethan dolls.

The use of the adverb is being explained by Mr. Henson.

# LANGUAGE

Although a foreign language demands constant, daily study, some alert Rosman Students are enjoying courses in French or Spanish, realizing that they are profiting from such in many ways: discipline, college preparation, enjoyment, ability to converse and read in language, knowledge of foreign peoples and customs. Teaching French and Spanish is the demanding job of MISS MYRTLE SAMS.

Spanish I students are busily engaged in doing espanol at the board, while Miss Sams proudly displays a Spanish sign.

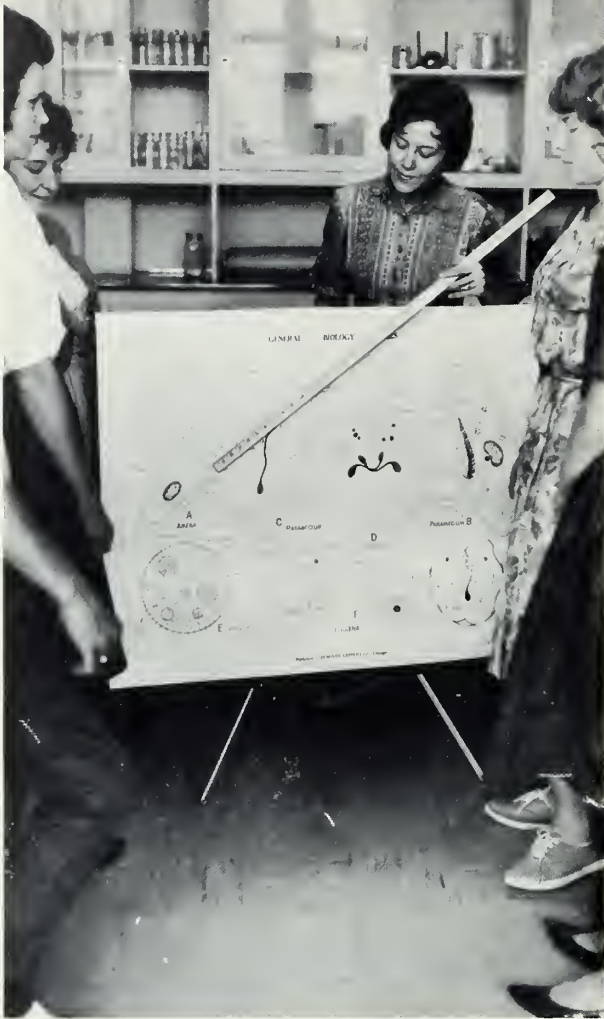

French I students enjoy singing in French.

# SCIENCE

Man is on the threshold of almost unbelievable scientific achievements.

Sputniks, rockets and jets have created a new interest in Science. In this space age it is necessary for all to learn the fundamental concepts of space in order to be able to control living things.

Mrs. Lillian Cothran, head of the Science Department, tries to instill in the students a desire to learn and understand about the scientific world of the future.

With the help of Mrs. Cothran, young biologists discover that the search for life in a tiny, primitive cell, the amoeba, can be most rewarding and interesting.

Besides teaching Math, Miss Byrd teaches a course in General Science.

Rosman High's Chemists learn that patient research through experimentation is the key to a successful study of chemistry.

Margaret Winchester demonstrates a theorem in Plane Geometry to Bramley Fisher and Steve Kropelnicki.

# MATHEMATICS

Mrs. Comnena Reid teaches first and second year Algebra and Plane Geometry. All students are interested in learning how to use a slide rule.

Because Mathematics has such an important role in today's world, every effort is being made at Rosman to arrange the courses offered in this department to meet, as nearly as possible the learning needs of the students.

Mathematics is at the center of the exciting developments in science and the teachers in this department, MRS. COMNENA REID and MISS MARGARET BYRD strive to create and maintain, in each student, an interest in mathematics, in order that he will be prepared to take his place in the world of the future.

Miss Margaret Byrd, a new addition to our school this year, teaches General Mathematics and Business Arithmetic.

# SOCIAL STUDIES

The social studies include Civics, World History, American History, Geography, Economics, and Sociology. This covers the study of government, and world problems of the past and present.

MRS. THELMA BRYSON AND RAY SIMPSON, teachers in this department, strive to instill in the students an understanding of the physical and political world in which they live. They also help to make the student aware of his responsibilities and privileges as a citizen of his school, community, state, and nation. Making each student realize his responsibility in maintaining world peace through the United Nations is one of the main objectives of the department.

Frances Maggard and Jo Ann Carter study the globe with Mrs. Bryson.

American History really comes alive when Mr. Simpson discusses it with his students.

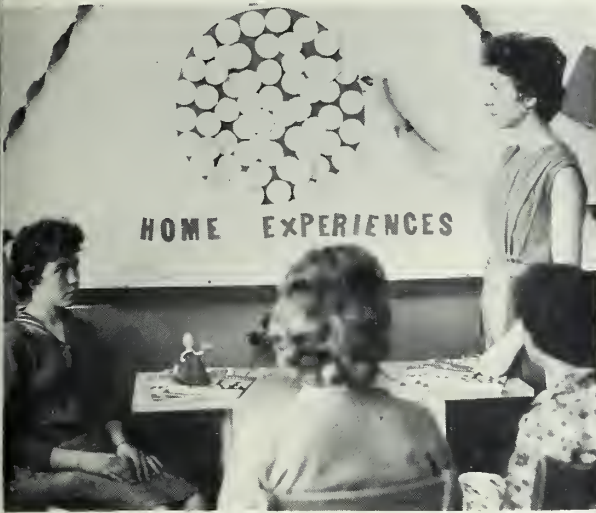

Discussion of Adventures in Outer Space led by Mrs. Bryson with students Terry Owen, Hilda Sue Thomas, Barbara Ashe, Susan Breedlove, Paulette Hooper, Gloria Moody, and Michael Whitmire.

# HOME ECONOMICS

A three-year course in home-economics is offered in Rosman High School. This course benefits the high school girl because it includes these seven divisions: Child Development, Clothing, Family Economics,

Family Relations, Foods, Health, and Housing. The girls learn the tricks of the trade from Mrs. Dorothy Vaniman, home-economics teacher and FTA sponsor.

Home experiences are a valuable part of the home-economics course. Here Mrs. Vaniman is discussing different projects with a group of tenth grade students.

Doris McKinney and Majorie Raines are preparing material for a dress while Margie Galloway is decorating a curtain.

# AGRICULTURE

A four year course in Vocational Agriculture is offered in our high school. The course is primarily designed to give farm boys experience in the various fields of agriculture such as crop production, beef cattle, swine and dairy production as well as farm and home improvement and self sufficient agriculture.

The boys engage in such competitive activities as judging dairy cattle, beef cattle, land, and seeds, as well as parliamentary procedure, public speaking, tool identification and the like. Farm mechanics and shop work also are basic parts of the agricultural program.

B. E. Keisler, second from right, is giving instructions to his Land Judging Team: Harry Powell, Wayne McCall, Clinton Owen, and Bramley Fisher--This team won first place in the Pisgah Federation Contest.

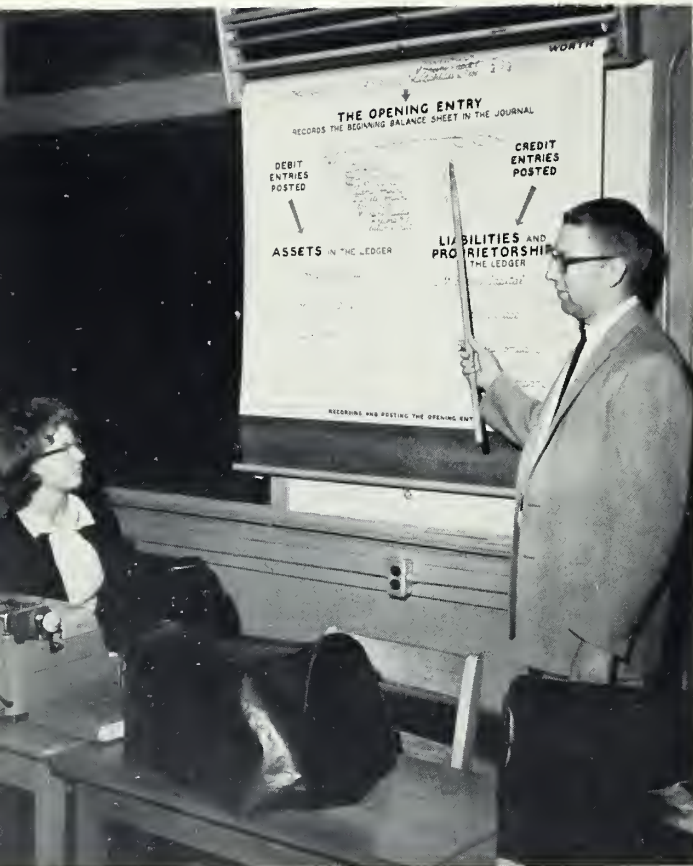

In shop work the boys make a variety of useful things.

"Type a little harder, Donald, and you'll reach the moon."

## BUSINESS

Mr. Howell is giving instruction on the Opening Entry in the Bookkeeping class.

DWIGHT D. HOWELL, as head of the business department tries to give his students a well-rounded background in business courses. In the typing classes speed and accuracy are stressed, along with instruction on personal typing.

Office Practice class offers advanced instruction in typing, filing, and business correspondence, as well as work on the mimeograph machine, electric adding machine and electric typewriter. Each student is required to do a certain amount of actual office work.

First year bookkeeping is set up to introduce bookkeeping and accounting to the students who might further their education in the business field, and it is also designed to train the student to keep the records of a small or medium sized business establishment. Students are taught how to keep family records on income, budgeting, and income taxes.

For the student interested in becoming a secretary a course in shorthand is given. The student is required to take dictation at a rapid rate and then transcribe with reasonable accuracy.

# MUSIC

This year the Music Department boasts of two glee clubs. From these two groups come six vocal ensembles. These are volunteer groups working, without credit, for the sheer joy of singing.

Linda Moses and Berlis Owen, presidents of the high school glee clubs, confer with the director MRS. M. J. WINGET.

This group of juniors and seniors expressed a desire to do extra-curricular work in music. A natural aptitude for singing and many hours of "do mi so's" have produced some fine results.

A volunteer ensemble of sophomores and seniors who harmonize with ease and fluency.

# COOPERATIVE TRAINING

In the Industrial Cooperative Training class, students study job-related information in school and get on-the-job training as a part-time employee in industry. This is a cooperative effort by the school, business and in-

dustry to provide on-the-job training for youth in occupational areas of their choice during their junior and senior years in school. Mr. G. H. Farley, a graduate of North Carolina State, is in charge of this course.

Mr. Farley assists Mary Ellen Brown with her nursing project. Dillard Revis and Maurice Albany are studying auto mechanics, and Dwight Sheehan is learning to be a butcher.

# GUIDANCE COUNSELOR

Mrs. Juanita Lavendar is the guidance counselor for Transylvania County. She visits our school once a week. Her work consists of advising students about their many problems. She is also very influential in securing scholarships for Rosman seniors. Here she is seen counseling a group of Junior girls. SEATED, Left to Right: Kathleen Jarrett, Doris Holcomb, Virginia Owen, Barbara Ashe, Melba Reid, and Mrs. Lavendar.

# DRIVER EDUCATION

Driver education was introduced into the regular schedule for the first time this year. In this twelve week course, students attended regular classes and were taught, among other things, the different parts of the car

and the rules of the road. Twelve hours were spent in observing student drivers and six hours in actual driving. Mr. James Johnson is the teacher in charge of drivers education in Transylvania County.

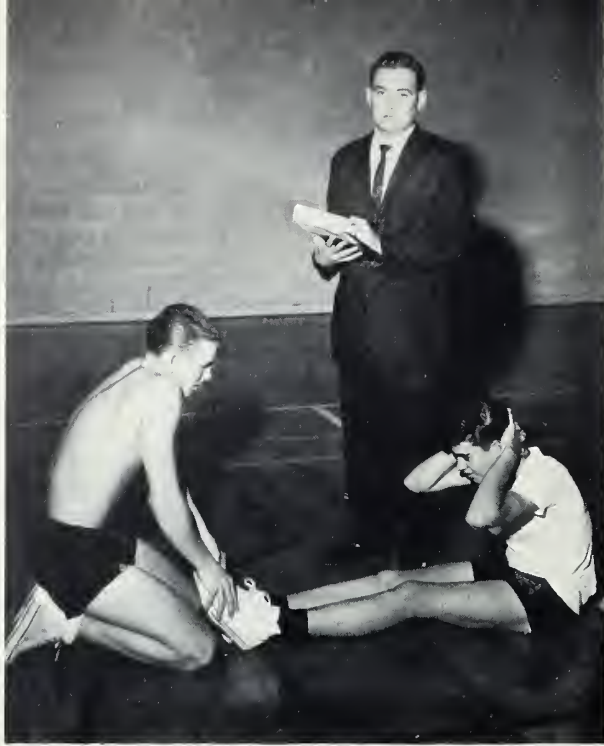

# SECRETARY

JOSEPHINE MORGAN is Mr. Tilson's efficient secretary. Besides her office work, she is a great help to all the teachers and students alike, and is always ready to lend a helping hand.

# PHYSICAL EDUCATION

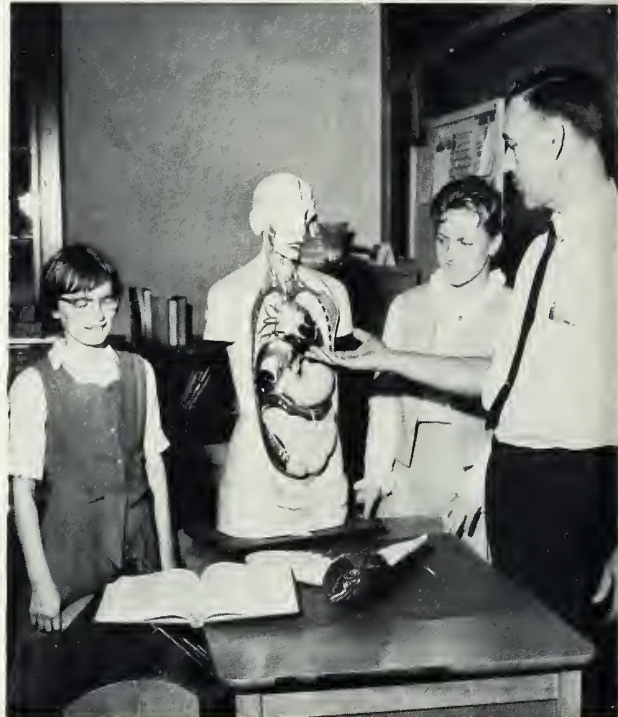

COACH CATHEY

Individual testing as a comparison and also for personal measurement is recognized as an essential part of a worthwhile program. Progress can be measured and used as an incentive for improvement.

The physical education and health program at Rosman High School is built on sound principles of general education. Pupil needs and interests must be met and supervised. It is the wish of Coaches WILLIAM J. CATHEY and RAY SIMPSON to do this.

"It is of great importance that we take immediate steps to ensure that every American child be given the opportunity to make and keep himself physically fit--fit to learn, fit to understand, to grow in grace and stature, to fully live."

--John F. Kennedy

COACH SIMPSON

Participation in group and mass exercises and games is a very important part of a well-balanced physical education program. Physical fitness needs a greater recognition in our country as one of the means toward a better way of life.

"A picture is worth ten thousand words" may be the title here as a very valuable audio-visual aid is used in a health class. The importance of health as a subject is recognized by the state in being a required subject.

# BUS DRIVERS

Most of the bus drivers are high school students and they have an excellent record of safety. To become a bus driver, the boys must have com-

pleted, not only drivers training, but also a special course in school bus driving.

# LUNCH ROOM STAFF

About six hundred fifty well balanced, nutritious meals are served daily in the Grade "A" Rosman lunch room. The staff is headed by Mrs.

Ella Mae Brooks and she is assisted by Mrs. Snipes, Mrs. Manley, Mrs. Dutton, Mrs. McClain, Mrs. Byers, and Mrs. Mahoney.

## STUDENT COUNCIL

CLINTON OWEN  
President

Our two student government organizations strive to influence good conduct and to instill in all an appreciation of our opportunity to govern ourselves. The student council holds court weekly to try students who have not obeyed the school laws. The traffic committee is on duty between each period to see that order is maintained in the halls. Ray Simpson is advisor.

GUSTINA BARTON  
Recorder

FRONT ROW: Gloria Moody, Linda Moses, Pauline Anders, Genis Sue Powell, Margaret Winchester. SECOND ROW: Gail Owen, Mr. Simpson, Oren Matthews, Berlis Owen, Lamar Buchanan, and Sandra Bryson.

EDITORIAL STAFF: Mr. Howell, Advisor; Joe McCall, Art Editor; Steven Kropelnicki, Art Co-Editor; Gloria Moody, Feature Editor; Paulette Hooper, Typist; Carolyn Greene, and Pauline Anders, Co-Editors; Mrs. Bryson, Sponsor; Gustina Barton, Editor; JoAnn Carter, Frances Maggard, and Wilma Elliott, Typists.

## JOURNALISM CLUB

Sponsored by Mrs. Bryson, the members of the journalism club enjoy publishing monthly the "Tiger Rag." Students are kept well-informed of the current events in school

by the "Tiger Rag." It gives the students an opportunity to express themselves and to display their creative talents. The staff enjoys its venture into the realm of journalism.

This group of students is responsible for reporting the news to the editorial staff of the "Tiger Rag."

## GLEE CLUB

This year we are fortunate to have two Glee Clubs, both of which have participated in various activities during the year, including an operetta.

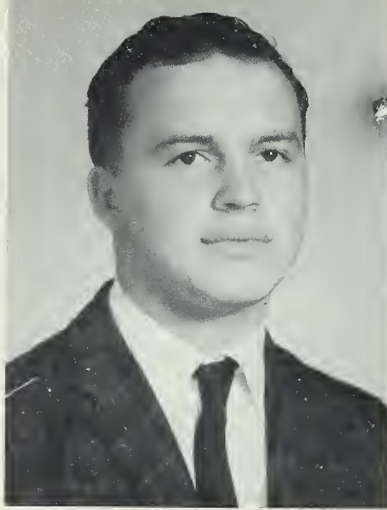

These clubs enable students to develop their musical abilities and ex-

press themselves in song. They also establish in the students a love and appreciation for the best music. Both of these groups are under the direction of Mrs. Maye Winget.

## F. T. A.

The purpose of this club is to enlighten and encourage future teachers. It is the desire of the sponsor, Miss Myrtle Sams, that the members receive a knowledge of and interpretation of the qualities a teacher should possess.

## LIBRARY CLUB

Mrs. Hogsted, as faculty advisor, encourages reading of good literature among the members of this club. They also study some mechanics of library science.

## BETA CLUB

One of the most important clubs at R. H. S. is the Beta Club, a national honorary society. It brings together the better-than-average students. Its main objective is to plan and carry out projects to make the students worthy members of their school, community, state, and nation. Under the guidance of their sponsor, Mrs. Lillian Cothran, the group strives to practice the Beta motto: "Let us lead by serving others."

In this space age with things happening so fast, it keeps this club busy trying to keep up with the current events. Miss Margaret Byrd is advisor.

## CURRENT EVENTS

## WILD LIFE

Mr. Howell, an able hunter, fisherman, outdoorsman, is the sponsor of this club. The programs center around wise conservation practices and wildlife management.

The FHA is an active club participating in many community activities. It is open to Home Economics students. Mrs. Dorothy Vaniman, is the faculty advisor.

## **FUTURE HOMEMAKERS CLUB**

## **FUTURE FARMERS OF AMERICA**

The aim of the FFA is to develop competent agricultural leadership and to promote good citizenship among our future farm leaders. B. E. Keisler is faculty sponsor.

**Mr. and Miss Rosman High**

Gloria Moody and Clinton Owen

The highest honor that can be bestowed upon a student at Rosman is to be chosen Mr. or Miss Rosman High. This is an honor signifying that they embody all the qualities which should most typify the ideal Rosman High School student. As Miss Rosman High, Gloria Moody was chosen, not for her beauty, alone, but for the personality and character traits which are most desirable in the ideal student. Clinton Owen was

chosen Mr. Rosman High because of his sincerity, honesty, dependability, loyalty, leadership, and integrity.

The runners-up, Gustina Barton, Carolyn Greene, Berlis Owen and Lamar Buchanan are to be congratulated because they too exemplify these qualities in their lives.

## Runners-Up

## R.H.S. TIGERS

Aug. 31	Tryon	26-0
Sep. 7	W. Henderson	19-20
Sep. 13	Edneyville	35-13
Sep. 20	Marshall	28-13
Sep. 27	Mars Hill	13-26

Oct. 5	Christ School	26-6
Oct. 11	Clyde	13-26
Oct. 19	Cane River	26-0
Oct. 25	Hot Springs	33-14
Nov. 1	Polk Central	20-6

On November 16, Rosman was Pisgah Conference Representative against Andrews in the state Play-offs at Bryson City. The score was 33-34 in favor of Andrews.

Besides being plagued by numerous injuries and broken bones, this team

played with great determination and zeal and made an outstanding record.

Coaches Cathy and Simpson stated that while this group did not always win, they never gave up. To them the ball game was never over until the last whistle blew.

Leading our cheering section with great spirit were our cheerleaders, Barbara McCall, Margaret Winchester, Barbara O'Shields, Paulette Hooper, Wilma Elliot, Gloria Moody, and Wanda McCall. These girls have done an excellent job this year, working hard cheering their team to victory!

## CHEERLEADERS

## MONOGRAM

Under the direction of Coach William Cathey, this club undertakes various projects during the year which enable them to buy athletic equipment for the school.

To be a member of this club one must letter in a sport and undergo the initiation.

BACK ROW: Virginia Owen, Gail Owen, Frances Owen, Teri Lee Cleveland, Sandra Staton, Renolga Whitmire.  
 FRONT ROW: Martha Shipman, Cara Lee Shook, Eddy Owen, Phylis Barton, Brenda Staton, Brenda McKinney.
